Wear mond Wal,

noning just before Diane left for Kindergutten. She has been so excited all day, and played out in it this afternoon. The ned snow suit just fits her perfectly, and she looks so cute all bundled up, it supposed to snow all night to night, and get up to about 6-8 inches lay tomorrow.

the fireplace, which is easy as this wood is so dry. We are going to fix popular tought with the new popular Jim & Vickie gave Mike.

il was straightening up downstairs this afternoon while Deane was playing in her playhouse, and I bound a small present from Coundpa, I had missed putting under the tree per Christmas. Diene was so excited. It was the little music box, which she lives. gimmy called to day to see how we are doing with all this snow. I went growing shopping yesterday so am not planning to drive at all. I'm glow there's no place we have to go, qimmy was in a race New years Day and beat his own recend and passed a couple others who usually come in whend of Bye, for now.
